

*"One of the most influential bands to emerge from the late-80's independent rock scene."*

— Karen Schoemer, *The New York Times*

**DON'T LET OUR YOUTH GO TO WASTE** is a comprehensive visual document spanning the history of Galaxie 500. The 2-disc DVD set is a compendium of all their music videos, a rare TV appearance and an archive of over 40 songs performed live, including two unreleased songs. From fan footage to professionally-produced segments, the collection of live performances was curated by the band to best represent their brief but illustrious career.
